## Dramatic Representation of ‘Kuyili The First Human Bomb’ made the 70th Republic Day alive at TGWS

TGWS had a great 70th Republic Day celebration today at campus brought alive by amazing performances put up by teachers. The Republic Day celebration at campus commenced with Flag Hoisting by the Managing Director Mr.Vinod Gandhi who wished the faculty and students a great Republic Day. The dramatic picturing of ‘Kuyili’ the first human bomb and her boundless love towards the queen-Velunachiayyar and limitless admiration towards the country were beautifully pictured in the drama.

The musical performance and the dances were stunning too. The students were given an orientation on the 6 Fundamental Rights of India by the Head of School in the interactive session. Another great celebration at

**Decide how to react....**

*“The key to happiness is knowing that you have the power to choose what to accept and what to let go.”*

*-Dodinsky*

*It is not what happens you that count. It is how you react to what happens to you, especially in an unexpected problem. Instead of worrying about who did what and who is to blame, focus on where you want to be and what you want to do.*

*Face your challenges! Solutions are inherently positive, whereas problems are inherently negative. The instant that you begin thinking in terms of solutions, you become a positive and constructive human being.*

*I believe that, whenever God wants to give us a gift, he wraps it up in a problem. The bigger the gift you have coming, the bigger the problem you will receive. This situation has been sent to you to help you learn something, to help you become better, to help you expand and grow.*

*A Positive Mental Attitude is indispensable to your success. So, instead of getting drowned in a situation, focus on the future, think about the situation, look for the good in the problem and seek the valuable lesson. After all, tough time never lasts but tough people do!*

# PARENT SPEAKS

A piece of thought from Rathish parent G3 alpha..

"A CHILD EDUCATED ONLY AT SCHOOL IS AN UN EDUCATED CHILD"

- George Santayana

As the above saying , learning information from school books is a tiny portion, but there are lot more to learn from his/her parents, society/outside world to develop and entrench desirable social habits in them.

Giving healthy minded children's to our society is itself a great service to our nation, who can breed positivity.

Hence parenting should foster sound judgement and morals so that the child develops and maintains self discipline through out the rest of life.

And for the above we observed that the Geekay world school helps us to bring our children's complete personality by not only focusing on academics but giving equal importance to sports, extra curricular activities, leadership activities, communications and bringing social skills in the budding stage..

Kudos to the management and staff....!!!

Regards,  
Mr.Sathish Kumar  
Parent of Rathish Kumar
